

## TIMBERLINE - Personal Equipment Checklist

Arrive at camp wearing your BSA uniform (first five items on the required list). Remember, you don't get a second chance to make a first impression.

### REQUIRED

- |  |   |
|--|---|
| <input type="checkbox"/> Uniform shirt <small>NOTE 1</small>             | <input type="checkbox"/> Sleeping pad or air mattress         |

|  | <input type="checkbox"/> Handkerchiefs (as needed)            |

\*Do not bring any personal electronics such as phones, games, or music systems.

\*Do not bring food. We provide plenty of food. We strongly discourage participants from bringing food and candy.

Contact your Timberline Scoutmaster for accommodation of special dietary needs.

\* Do not bring pocket knives. We will not be training and issuing totin' chips so please do not bring pocket knives.

**NOTE 1** – We will provide a neckerchief and slide as well as a hat and class B uniform T-shirt for you. You will not be in your dress uniform shirt the whole week. You will be in your scout pants/shorts all week. So plan uniforms accordingly. Also, before coming, see that all badges and insignia are properly placed on the uniform.

**NOTE 2** – Those attending courses in June should be prepared for cold and wet weather by including extra set(s) of socks, long trousers, long-sleeved shirts, a winter coat, winter gloves and a winter hat. Footwear should be water resistant. The sleeping bag should handle freezing temperatures. Emergency ponchos are generally not durable enough; please plan on proper inclement weather gear. Snow is not unheard of at the altitude of our campsites during this time of year.

**NOTE 3** – Pack will be used for getting gear from the parking area to the campsite. If you do not have a backpack, do not purchase one just for Timberline. You just need to be able to carry all of your gear by yourself at one time for approximately half a mile.
